

BUSINESS AFFAIRS.

New Goods.—Gum, &c. &c. are receiving their second importation of dry goods bought since the decline, which enables them to sell at prices much below usual rates. New varieties in all colors. French and Irish linens, all grades; new prints, medallions, black poplins and mourn goods, creases, laces, boudoirs, &c. This is a rare chance for choice goods, at very low prices.

PERFUMES.—Now a loss of the hair, which is so common now-a-days, may be entirely prevented by the use of *Henry's Cosmetic*. It has been used in thousands of cases where the hair was coming out in handfuls and has never failed to arrest its decay, and to promote a healthy and vigorous growth. It is at the same time a remedy for a dressing for the hair. A single application will render it soft and glossy for several weeks.

DRUGS.—A time when there is great fear of the stock of dry lumber, saws, doors, blinds, &c., will fall short, owing to the vast amount of lumber in Louisville. It will be interesting to the public to know that A. and J. Watson & Son, 245 Market street, have now on hand seven million of dry lumber. Call at their office on Main street, nearly opposite the G. H. House, or at their factory on Fulton, above Preston street.

Another important fact is, Armstrong is selling his stock at very low prices. We advise our friends to call and examine his stock on Main street, opposite the Hotel National.

HOME TESTIMONIAL.

Mr. C. W. ROBERTS, Kt., Aug. 20, '60.

Dear Sir:—For the past several months I have been laboring under great weakness and general debility, much of the time caused to my bed, and from which I received no benefit from my physician. After using some of your blood pills and blood purifier, purchased of your agent, Mr. Wm. H. Plummer, I feel as a new man, almost entirely free from disease, and would recommend your medicines to all who are in need of so invaluable remedies.

Yours truly,

CHARLES T. HOFFMAN.

Persons who have used Dr. Shallenberger's fever and ague pills, bear testimony to the fact that no sensible effects follow their use, other than the immediate cessation of disease and unmistakable feelings of returning health. Not so to the experience of those who have used the Sulphate of Quinine, which taken in large doses invariably leaves the patient in a depressed and miserable condition. Let every sufferer, therefore, at once test the efficacy of this invaluable remedy. Sold by druggists and dealers everywhere.

We have just learned that McLean's Strengthening Cordial will cure the various diseases prevalent among children. It is necessary that every parent should keep a supply on hand, and when required give as directed. Try it—it is pleasant to take. See advertisement in another column.

A bright advent comes upon all who are the victims of general, bodily, mental or physical depression, prostration of the system from neglected disease, &c., &c., &c.

Wright's Revitalizing Elixir will assuredly banish the hideous curse of every class of these afflictions. It is altogether a modern wonder made by one of the most eminent physicians of our day.

Years of toil, study, experiment in the laboratory were needed to bring this invaluable medicine to perfection; it is composed of most rare and most subtle vegetable extract, and sets in a duplex and adapting mode upon the system, being at the same time an excellent and invigorating, and both cures and reinvigorates the vital functions of the body. Sold by all respectable druggists throughout the United States and Canada. J. Wright & Co., sole proprietors, New Orleans, La. See advertisement, no. 112 down.
